

Nordica Duo is a symmetrical coated solid bleach board (SBB), made by back-to-back lamination of a coated GZ board. The printing surfaces are therefore identical.

Nordica Duo can be used in a wide range of premium & luxury packaging applications.

Nordica Duo has outstanding levels of stiffness, whiteness and brightness, together with smooth glossy surface on both sides.

Nordica Duo is made from 100% virgin fibre from pulps sourced from well managed forests certified in accordance with the rules of the Forest Stewardship Council® (FSC®).

Nordica Duo is certified as safe for use in direct contact with dry and fatty foodstuffs in accordance with German BfR XXXVI recommendations.

Nordica Duo is fully recyclable and manufactured to precise and controlled standards. Preston Board is registered under the ISO 9001:2015 quality assurance scheme and the ISO 14001:2015 environmental standard.
