

**Nordica Art** is a symmetrical light coated board, made by back-to-back lamination. The printing surfaces are therefore identical.

**Nordica Art** can be reverse laminated to offer uncoated version with exceptional bulk and stiffness properties, idea for wine & spirit application.

**Nordica Art** can be used in a wide range of premium & luxury packaging applications.

**Nordica Art** is made from 100% virgin fibre from pulps sourced from well managed forests certified in accordance with the rules of the Forest Stewardship Council® (FSC®).

**Nordica Art** is certified as safe for use in direct contact with dry and fatty foodstuffs in accordance with German BfR XXXVI recommendations.

**Nordica Art** is fully recyclable and manufactured to precise and controlled standards. Preston Board is registered under the ISO 9001:2015 quality assurance scheme and the ISO 14001:2015 environmental standard.
