

Nordica C2-S is a symmetrical coated board, made by back-to-back lamination. The printing surfaces are therefore identical.

Nordica C2-S can be used in a wide range of premium & luxury packaging applications.

Nordica C2-S has outstanding levels of bulk, stiffness and whiteness, together with smooth coated surface on both sides.

Nordica C2-S is made from 100% virgin fibre from pulps sourced from well managed forests certified in accordance with the rules of the Forest Stewardship Council® (FSC®).

Nordica C2-S is certified as safe for use in direct contact with dry and fatty foodstuffs in accordance with German BfR XXXVI recommendations.

Nordica C2-S is fully recyclable and manufactured to precise and controlled standards. Preston Board is registered under the ISO 9001:2015 quality assurance scheme and the ISO 14001:2015 environmental standard.
