

CRUSADE

ALL WEATHER

Testing Method				
Property	Unit	Standard	Value	Tolerance
Grammage	g/m ²	ISO 536	1025	±5%
Thickness	µm	ISO 534	1300	±7.5%
Bendtsen smoothness	ml/min	ISO 2879-2	600	±100
Brightness (white side)	Illumination	ISO 2470-1	80	±1.0
Moisture	%	ISO 287	8	±1.0
Surface Tension dynes	Cm	DIN53364	≥42	-
Test condition (ISO):	temp 23±1oC, relative humidity 50±2%			

The mill commits the technical values and tolerances based on their original datasheet
All figures mentioned above may be subject to technical change.

PRODUCT DESCRIPTION

- All Weather Display Board manufactured by multi-ply lamination processes
- Virgin fibre outer layer with grey recycled core
- Board is fully resistant to water for up to 12 weeks
- Ideal alternative to foam boards, foam PVC, polypropylene, and other plastic composites
- FSC® certified and 100% recyclable
- Manufactured in the UK

PRINTING & CONVERSION

Suitable for UV and conventional offset litho, large format digital and silk screen printing processes

Recommended for conversion applications involving UV, water-based and conventional varnish • embossing (high, relief, structure, micro) • die cutting, creasing, perforating, cutting, scoring, and grooving

Available in sheet size up to 2000 x 3200

STORAGE

Material should be kept dry, avoiding extremes of temperature, ideally 21°C and 45/65% relative humidity. Temperature should not exceed +25°C. Pallets must be acclimatised to the press shop conditions BEFORE unwrapping. This may be 24 hours or more depending differences between stores and press shop and size of pallet. It is advisable to use material as soon as possible from date of delivery and certainly within 12 months.

RECYCLABILITY

Product is 100% recyclable, and contains 66% recycled content, the poly liners used in the product represents 3% of the total product and is easily broken down and separated during the wastepaper process.

CRUSADE ALL WEATHER IS DESIGNED FOR THE FOLLOWING APPLICATIONS:
OUTDOOR DISPLAY ELECTION SIGNS • BILLBOARDS • HANGING SIGNS
BOLLARD COVERS • A FRAMES
