

# CRUSADE ELEMENTS

**Crusade Elements** is a symmetrically coated display board, made by multi-ply lamination process. The printing surfaces are identical on both sides.

**Crusade Elements** has a smooth silk coated surface for excellent print results. Product offers exceptional levels of bulk, stiffness and rigidity.

**Crusade Elements** contains zero plastic and offers an eco-friendly alternative to mineral oil-based panels such as foam boards, foam PVC, polypropylene and other plastic composites.

**Crusade Elements** contains has high level of wet strength and therefore resistant to water and moisture thus making it suitable for temporary outdoor usage for up to 12 weeks

**Crusade Elements** is certified as safe for use in direct contact with dry and fatty foodstuffs in accordance with German BfR XXXVI recommendations.

**Crusade Elements** contains woodpulp from well managed forests certified in accordance with the rules of the Forest Stewardship Council® (FSC®).

**Crusade Elements** is fully recyclable and manufactured to precise and controlled standards. Preston Board is registered under the ISO 9001:2015 quality assurance scheme and the ISO 14001:2015 environmental standard.
