

CRUSADE DISPLAY

Crusade Display is an exceptional double side coated display board. Made by back-to-back & multi-ply lamination process. The printing surfaces are therefore identical.

Crusade Display contain a combination of virgin and recycled liners Product offers high rigidity and superior flatness.

Crusade Display has a silk coated surface offering high level of whiteness and smooth surface for excellent print results.

Crusade Display contains woodpulp from well managed forests certified in accordance with the rules of the Forest Stewardship Council® (FSC®).

Crusade Display offers an eco-friendly alternative to mineral oil-based panels such as foam boards, foam PVC and other plastic composites for indoor display purposes.

Crusade Display is available in a wide variety of standard width and calipers with MOQ from as little as 1 tonne per item. Large format size possible up to 2000 x 3200mm.

Crusade Display is fully recyclable and manufactured to precise and controlled standards. Preston Board is registered under the ISO 9001:2015 quality assurance scheme and the ISO 14001:2015 environmental standard.
