

CRUSADE ECO WHITE

Crusade Eco White is an exceptional uncoated solid bleached board, made by back-to-back and multi-ply lamination process.

Crusade Eco White is made from 100% recycled de-inked fibres that has been sourced from well managed supply chain in accordance with the rules of the Forest Stewardship Council® (FSC®) Recycled.

Crusade Eco White has been engineered in response to the growing trend for products with high level of environmental credentials, combined outstanding level of whiteness and natural tactile feel.

Crusade Eco White is suitable for use in direct contact with dry and non-fatty foodstuffs in accordance with German BfR XXXVI recommendations.

Crusade Eco White is fully recyclable and manufactured to precise and controlled standards. Preston Board is registered under the ISO 9001:2015 quality assurance scheme and the ISO 14001:2015 environmental standard.
